Baharshahi Company

Baharshahi Company has a distinguished history in the production and distribution of various dates and date-based products. Relying on quality and innovation, this company offers a wide range of date products, including authentic Iranian dates such as Kabkab, Piarom, Mazafati, and other premium varieties.

Baharshahi

In addition to dates, Baharshahi Company has also expanded its product line to include date chocolates. This unique combination of natural date flavor and high-quality chocolate not only tastes delicious but also offers significant nutritional value and energy. These products are available in various packaging options and are offered in both domestic and international markets.

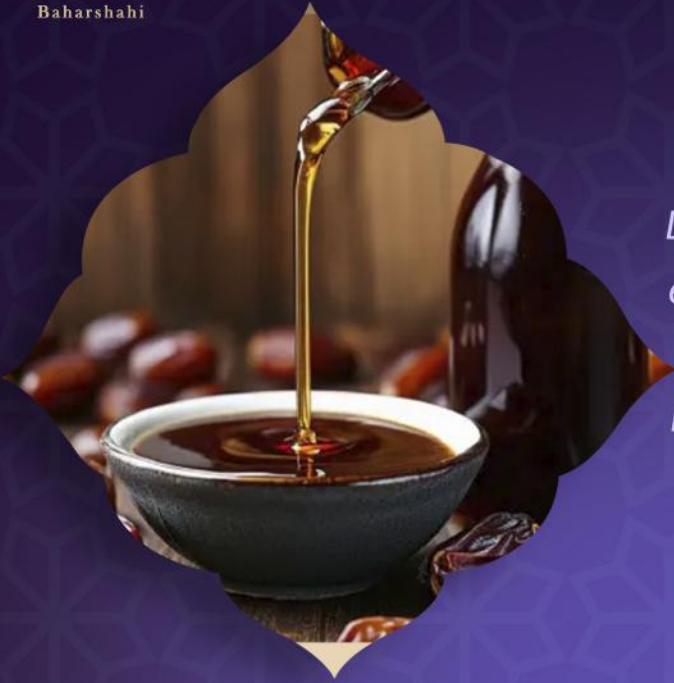

By striving to provide the best products and services, Baharshahi Company is constantly striving to achieve global standards and be recognized as a leader in the date industry and its derivatives. Focusing on quality, innovation, and customer satisfaction, this company is looking forward to a bright and successful future in this industry.

Baharshahi Iranian Dates

Iranian dates, considered some of the best and most delicious natural fruits in the world, are available in various types with different flavors and textures. From the sweet and soft Piarom dates to the mildly flavored Zahedi dates, each type has unique benefits, making them excellent choices for daily consumption and hosting guests.

Baharshahi Date Syrup

Date syrup is a natural and nutritious sweetener made from high-quality dates. This syrup is rich in vitamins and minerals, serving as a healthy alternative to sugar in the preparation of desserts and beverages.

Baharshahi Date Seed Oil

This oil, with its remarkable properties, is a rich source of unsaturated fatty acids. Date seed oil is used as a healthy cooking oil and in the cosmetic and personal care industries.

Baharshahi Premium Date Paste

Date paste is an ideal raw material for making desserts and sweets. With its rich and sweet flavor, this paste can be used as a healthy base for various delicious desserts and snacks.

Baharshahi Diet Date Chocolate

Diet date chocolate is an excellent choice for those seeking a delicious and healthy dessert. This chocolate is made without sugar and uses natural dates, offering a sweet and delightful flavor.

Baharshahi Children's Date Chocolate

This tasty and nutritious chocolate is specially designed for children. With appealing flavors and shapes, it makes a healthy and delicious snack for kids.

Baharshahi Date Chocolate for Pregnant Women

This chocolate is carefully crafted to meet the nutritional needs of pregnant women. Rich in vitamins and nutrients, it supports the health of both mother and baby while offering a delightful treat.

additional dates

One of the most popular types of dates, which is popular because of its soft texture, sweet taste and high moisture content. This date is very suitable for daily use and preparation of various products.

Kabkab dates

A date with large size and a lot of meat, which is mostly cultivated in the southern regions of Iran. This date is used for direct consumption as well as preparation of date products

my dear date

High-quality majlis dates, which are of special interest due to their thin skin, mild taste, and high natural sugar. This date is mainly used for export and luxury purposes.

Zahedi dates

A semi-dry date with a firmer texture and a golden yellow color that has less sugar and is suitable for people looking for a product with a lower glycemic index
